

Chiller Tube Cleaners

PORTABLE CHILLER TUBE CLEANERS

GOODWAY

Features:

- Sturdy roll cage - protects equipment at job sites and in back of crowded work trucks
- Saves time - Quick Connect shaft attaches with a simple push and disassembles for easy transport
- Peak on-site performance - no more slipped belts or equipment down time
- Chain drive system - for a smoother performance in challenging cleaning situations
- Designed for rugged environments - motor assembly is connected with vibration isolators to help tolerate bumps and jolts
- Compact and lightweight - easy to carry and less than 1/2 the weight of other tube cleaners
